The FAC's of Overcoming

We had a great opportunity to go to the game... expecting great things when our team took the lead of 4-0 in the first couple of innings. We were ready to walk out of that stadium as victors!!! But the reality is what took place during and after... a

woman was complaining to me about my son kicking her chair... the other team came back and tied the score... extra innings and because of a brain malfunction by the catcher - allowed the runner to score... AND if that wasn't enough... birds pooped on us on the way out!

We're supposed to be walking as victors, but it seems awfully difficult when there's so much to bring you down. Well, John knows this and reminds us about the FAC's of overcoming... the Foundation, the Assurance and the Confidence we may have. Come join us for some encouragement about living as an overcomer...especially if you've had to deal with birds leaving presents you don't want!

"This nation will remain the land of the free only so long as it is the home of the brave." - Unknown.

A reminder that even though the Bible Study sessions end tonight... please look for future eblasts concerning getting together socially over the summer!

New Hope Christian School is a private Christ-centered school serving families throughout the Fox Valley area with children in preschool through 8th grade. God, the Creator of heaven and earth, cannot be separated from history, literature,

mathematics, science, or any other academic discipline. Christian education must strive to acknowledge, understand, and nurture each individual's God-given abilities.
