### The Children's Message

What if you really believed you were a beloved child of God?!!!!!! Would it change the way you live? In a world filled with confusion about identity, purpose, and love, 1 John 3 cuts through the noise with a bold declaration: "See what kind of love the Father has given to us, that we should be called children of God!" This isn't just a feel-good statement—it's a life-changing truth with real implications.

Come join us as we explore what it means to truly belong to God, to walk in His righteousness, and to live out His love in practical ways. If you're searching for clarity, confidence, or deeper connection with God, this message is for you.
