Finding Joy in all the Right Places

"I've got the joy, joy, joy, joy down in Philippi! Where? Down in Philippi. Where? Down in Philippi! I've got the joy, joy, joy, joy, down in Philippi. Down in Philippi to stay!" You remember that catchy tune right? No? Oh, maybe because it had a word switch from heart to Philippi!

Well, anyway... you're right that was never a chart buster, but it does describe the letter to the church there. Paul wrote to them to encourage them that they may find purpose, even when painful. He told them to hold one another in humility just like Christ cared for everyone! He reminded them to focus on striving for Christ because

truly He is all that matters! Finally, he breaks it all down and helps them understand that they didn't have to be anxious about anything, Christ Jesus will give you the strength you need!

Come worship with us during this four part series, Finding Joy in All the Right Places!

Some people say that the shovel was a ground-breaking invention...
but I think that the whiteboard was remarkable!

Someone broke into a man's house and stole all of his coffee cups...
the victim is responding, by heading to the police station to look at mug shots!

Does anyone else have kind of a strange name that is also an adjective?
I'm curious!

New Hope Christian School is a private Christ-centered school serving families throughout the Fox Valley area with children in preschool through 6th grade. God, the Creator of heaven and earth, cannot be separated from history, literature, mathematics, science, or any other academic discipline. Christian education must strive to acknowledge, understand, and nurture each individual's God-given abilities.
